WORK & LEADERSHIP EXPERIENCE

Fall 2025- Spring 2026 Oxford, PA

Project Success

Intern
An academic-year internship spent developing and expanding a mobile application

- Completed assigned weekly tasks focused on building features, improving functionality, and enhancing the users experience.
- Managed multiple components of the app while meeting deadlines punctually and meeting quality standards
- Prepared summaries and presentations to communicate progress, updates, outcomes, and project ideas.

Fall 2025- Present Oxford, PA

Thompson Hospitality

Cafe Staff
Provided versatile support across kitchen and dining operations, ensuring high standards of cleanliness and food preparation efficiency at a college campus.

- Work directly under the Executive Chef to execute precise food preparation, including high-volume ingredient cutting and meal assembly.
- Maintain rigorous cleanliness standards for the entire cafe, including dining areas, food stations, and deep-cleaning the facility.
- Manage critical logistics such as ice replenishment, waste disposal, and high-volume dishware sanitation to ensure seamless service flow.
- Pivot daily between prep, maintenance, and cleaning roles to meet the shifting demands of the hospitality environment.

November 2022- Present Bryans Road, MD

Food Lion

Cashier
Maintained a high level of speed and accuracy during peak shifts, balancing a full school load with the fast-paced demands of the front end.

- Mentored and trained new hires on register operations, bagging standards, and store-specific protocols to ensure team consistency.
- Managed cash drawer operations and processed hundreds of daily transactions, including coupons and EBT, with zero discrepancies.
- Proactively managed cart returns and restocked impulse aisles during low-traffic periods to maintain store standards.
